Division 4 is comprised of: Alabama, Arkansas, Florida, Georgia, Louisiana, Mississippi, South Carolina

For complete Conformation Championship requirements see Chapter 16 of the Rules Applying to Dog Shows.

The Points toward a Championship shall be awarded to the Winners Dog and Bitch of each breed or variety based on the actual number of dogs or bitches competing in that breed or variety.

If the dog designated Winners Dog of Winners Bitch is also awarded Best of Breed or Variety, the dogs of both sexes that have been entered for Best of Breed or Variety competition and that have been defeated in such competition, shall be counted in addition to the dogs that completed in the regular classes for its sex in calculating championship points.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Opposite Sex to Best of Breed or Variety, the dogs of its own sex that have been entered for Best of Breed or Variety competition that have been defeated in competition for Best of Opposite Sex, shall be counted in addition to the dogs that completed in the regular classes for its sex in calculating championship points.

After points have been computed for Winners Dog and Winners Bitch subject to the above two stipulations, the dog awarded the Best of Winners shall be credited with the number of points calculated for Winners Dog or Winners Bitch, whichever is greater.

In counting the number of eligible dogs in competition, a dog that is disqualified, or that is dismissed, excused or ordered from the ring by the judge, from which all awards are withheld shall not be included. Any dog which shall have won fifteen points shall become a Champion of Record, if six or more of said points shall have been won at two shows with a rating of three or more championship points each and under two different judges, and some one or more of the balance of said points shall have been won under some other judge or judges than the two judges referred to above.

Judges are not required to wait for dogs. They will adhere as closely as possible to the judging schedule printed in this program. The owner or handler of each dog is solely responsible for having it ready at ringside when its class is to be judged. The show-giving Club and Superintendent have no obligation or responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required. Being an unbenched show, you need to be at show only in time for your judging and may leave any time after judging. Numbers before each Breed represent the number of dogs entered in (1) the regular dog classes; (2) regular bitch classes; (3) Specials Only, Best of Breed or Best of Variety Competition; and in (4) Non-Regular classes.

For your convenience, the following class divisions have been carefully tabulated; however, neither the Club nor the Superintendent assumes responsibility for absolute accuracy.

There are 183 Dogs entered in this show with a total of 288 entries.  
There are 8 Dogs entered in Rally with a total of 10 entries.
